

BVD SEMINAR

Sunday, February 19, 2006

10 am — 4 pm

Alpha Fire House, Alpha, NJ (5 minutes off I-78, Exit 3)

Dr. Ed Dubovi
Cornell University

Come and learn about BVD from one of the top veterinary virologists in the country!

Dr. Dubovi will discuss transmission, clinical symptoms, testing and control of BVD in alpacas.

Dr. Katrina Alger
Califon (NJ) Animal Hospital

Learn about quarantine issues and new immunization protocols.
